

# With your help **WE CAN WIN!**

**The Council Worker of the Year Awards 2010 champion the unsung heroes of local government - those council workers who go beyond the call of duty on a daily basis.**

## **Birmingham City Council has two finalists in these national awards:**

- Leo McMulkin, group leader in sustainability and energy management, whose work is helping to reduce the city's carbon footprint.
- The entire Gas Maintenance Team which has carried out gas safety checks in every one of the Council's 59,000 homes for three years running.

Their success in the final will depend on just one thing: public votes. As each nomination is for a different category, you can vote for BOTH. Your signature on this form counts as a vote for both candidates!

Please remember each of you can only vote once.

Please return completed forms to Paulette Bailey, Birmingham City Council, Council House (Room B19), Victoria Square, Birmingham, B1 1BB by **18th June 2010**. Internal post can be used.
